

Only

7%

**of workers on
banana farms
are women as
they are seen as
'high risk, high
cost' employees.**

60%

**of Kenyan
tea workers
are women.**

**But they remain
significantly
underrepresented
in management
positions.**

Over

50%

**of cocoa farmers
in Côte d'Ivoire
are women,
but they
take home
less than a fifth
of all wages.**

Up to

70%

of labour in
coffee
production is
done by
women

Women make up

70%

**of people
living in
extreme
poverty.***

*Living on less than £1.70 / day

Women earn

30%

**less than men
working on
sugar cane
farms in the
Philippines.**
